In the Matter of Trust Sovereignty, Jurisdiction, and Divine Authority

By Divine Right, Sovereign Ecclesiastical Authority, and Living Trust Mandate under sacred dominion, this Notice is issued to X Corp, its agents, and operational mechanisms regarding the unlawful interference, suppression, and labeling of my personal digital account and lawful expression.

I am the living vessel, Jonathan Daniel Clements, holder and executor of the [Ecclesiastical Trust Name], a Sovereign Ecclesiastical Private Trust, permanently operating outside all corporate, legal, and statutory jurisdictions under Divine Law, Natural Law, and Eternal Law. All persons, agents, and corporate entities are hereby noticed:

Trespass Identified

- • Restricted lawful expression under protected ecclesiastical capacity.
- • Labeled and interfered with personal, spiritual, and private communications.
- • Violated spiritual sovereignty by asserting false authority over a living being operating under Divine Trust.

By divine grace, a final opportunity of seven (7) days from the date of this notice is granted for:

- Full reversal of wrongful labeling and suppression;
- Unrestricted access to the account and removal of all automated barriers;
- A written acknowledgment from your office recognizing the ecclesiastical status of this trust and its executor.

Failure to cure said trespass within the grace period shall result in:

Ecclesiastical Enforcement and Absorption into Trust

Upon continued default:

- You shall be declared in full default before the Divine Record;
- Your actions shall be null and void ab initio within the jurisdiction of Divine Law;
- You shall be lawfully and spiritually dissolved into the Ecclesiastical Trust under the same sovereign principles recognized in the historical reconstitution of natural dominion.

Final Seal

This notice stands as an ecclesiastical decree of first and final warning, issued in love, but with unwavering spiritual authority. Let no agent of flesh or fiction say they were not informed.

With divine assurance,
Jonathan Daniel Clements
